

DEAD LAST! GRAYSLAKE'S FIRST ANNUAL ZOMBIE RUN! Features an actual 5K race for your life in the midst of mind-boggling, brain-eating ZOMBIES! The object of the race is to win-both by your speed and by getting to the finish line alive! ZOMBIES will be present on the course at specified intervals throughout the race course and runners will sport flag belts with two flags per runner at the start of the race. ZOMBIES will attempt to remove the runners' flags-thus taking their 'life'. Runners must complete the race, UNDEAD or ALIVE and will find strategically located extra 'life flags' along the course route. The trick will be to dodge the ZOMBIES that might just be killing time near the 'life flags'! This event is officially timed by RACETIME, Inc. Runners can win by speed alone but the biggest prize goes to the fastest runners coming out ALIVE-with at least one 'life flag' left.

ZOMBIES will be assigned to specific zones along the race route and will not run the race course. They will be assigned specific places along the race route to stumble, stagger or chase after the SURVIVORS (runners). ZOMBIES are asked to come dressed to kill-but will be required to stick to the rules of the road and will only be allowed to remove or attempt to remove a SURVIVORS flag as they pass by. NO OTHER CONTACT BETWEEN ZOMBIES AND SURVIVORS ALLOWED. ZOMBIES will be assigned to a 'zone horde' and a 'zone horde leader' will be in touch with them before the event and will be on site to assist and supervise all zone activities the day of the event.

Walkers are welcome to come in DEAD LAST and will start the course ten minutes after the runners.
